

We are officially inviting you to the Demo Day of ABC Accelerator where our accelerated startups will present themselves.

It will be held in **Ljubljana on the 24th of June** at 10:00AM.

In attachment, you will find the **application on f6s** with all the information.

In the weeks leading up to Demo day, you will receive further **information on the startups**.

In this email, you will find information on all the startups along with their **onepagers**.
